

COMFORT SAFETY PRODUCTS, INC.

Institutional Safety

2012

Comfort Safety Products, Inc. is a leader in the supply of high-quality Healthcare and Safety Disposables.

We now offer a complete line of oral care and personal hygiene products designed specifically for the correctional environment. From toothbrushes with security features to our new ADA Accepted line of clear toothgels to our innovative personal hygiene products, CSP Products offer you solutions for all of the issues involved in daily personal hygiene in the correctional environment.

The leading feature of our products is our total dedication to clear, flexible packaging in the presentation of our products. Flexible packaging in clear tubes means that our product has the most built-in resistance to inmate tampering and the concealment of contraband. Furthermore, all of our tubes are made of Ceramis®, a clear material with barrier qualities that ensure the retention of moisture, flavor or fragrance. One of the biggest issues facing the introduction of clear packaging to the correctional environment is inmate acceptance. We offers true private label equivalents to national brands, as all of our products are made under the highest quality standards.

We also offer additional products that may be used within the correctional facility environment including gloves, alcohol-free hand sanitizer, alcohol-free disinfectants, etc.

With distribution points in the US and Europe, we can get you the product you need when you need it to keep you safe on the job. Please contact us if you would like further information, samples or to place an order.

FLEXIBLE THUMB TOOTHBRUSH

High-quality security toothbrush, designed to inhibit the construction of shanks. Our product is made of the best materials, optimally end rounded, and designed to last as long as nationally branded toothbrushes. Inmate resistance to the smaller toothbrush will be reduced by our dedication to quality materials and sophisticated production methods

ORDER #: 8231GR
ORDER #: 8233UF - ULTRA FLEX

72 PER BOX / 10 BOXES PER CASE

FLEXIBLE FULL HANDLE TOOTHBRUSH

To inhibit use as a weapon in security settings, the handles are not only flexible and bend without breaking, but are also end rounded. White handles help prevent gang associations. Brushes have 41-tuft full-size heads with superior tuft retention which prevents bristles from falling out. Brushes are individually cello-wrapped.

ORDER #: 8234WH

144 PER CASE

FLEXIBLE PRE-PASTED THUMB TOOTHBRUSH

Same flexible design as our regular security thumb toothbrush with pre-pasted technology for a simple single use option

ORDER #: 8232PP

72 PER BOX / 10 BOXES PER CASE

ADA MINT TOOTH GEL IN CLEAR TUBE

A national-brand-quality equivalent toothpaste, with ADA Acceptance, will address inmate oral care at a lower cost level

ORDER #: 8265MT - 6.4 OZ
36 PER CASE

ORDER #: 8266MT - 4.6 OZ
24 PER CASE

ORDER #: 8267MT - 3.0 OZ.
72 PER CASE

ORDER #: 8268MT - 1.0 OZ
144 PER CASE

SECURITY PEN

Used in correctional facilities in more than 50% of the states, these "inmate-safe" super-flex pens offer you even more security and reduce the risks that they will be used as weapons. It is lightweight (5.7 grams) and is super extremely flexible but rigid enough to write.

ORDER #: 8220BK - BLACK INK

ORDER #: 8220BL - BLUE INK

1,440 PER CASE

SECURITY RAZOR

Designed specifically for use in corrections to help reduce the risk of weapons making.. The blade is quality stainless steel, and the head is sonically welded. The handle is a red, flexible plastic, rigid enough to ensure effective shaving.

ORDER #: 8200RD

1,000 PER CASE

WATERLESS SHAVE GEL IN CLEAR TUBING

Razoride™ is a waterless application product with a patented built-in moisturizing system. This high quality product will ensure inmate acceptance of a safe replacement to bulky metal shave cream tubes or even more hazardous cans. Razoride™ Brushless Shave Gel is perfectly clear and is packaged in a clear Ceramis® tube.

ORDER #: 8260CL – 2.0 ML

250 PER CASE

3 in 1 BATH GEL

In one tube, we offer a superior shave, shampoo and liquid soap, designed for the safest, most cost-effective correctional use. Like all of our personal hygiene products, the Multipurpose Bath Gel is packaged in clear, resilient Ceramis® tubes, designed to retain moisture and fragrance. A cost-effective way to increase officer safety while ensuring inmate acceptance.

ORDER #: 8250CL – 4.0 OZ

72 PER CASE

ORDER #: 8251CL – 1.0 OZ

144 PER CASE

SECURITY DEODORANT

Unlike roll-on and stick deodorants which are packaged in rigid plastic which may provide the raw materials for potential inmate weapons, our deodorant is a perfectly clear gel, packaged in a flexible Ceramis® tube. The deodorant gel is dispensed through a soft roll-on dispenser. There are no detachable parts to lose or keep track of.

ORDER #: 8255CL – 2.0 OZ.

72 PER CASE

SHAMPOO/ CONDITIONER/ BODY WASH

Our Body Wash will allow you to replace bar soap, a potential hazard to the correctional officer. Products are formulated to equal national brands. Packaged in clear Ceramis® tubes, the Shampoo, Conditioner and Body Wash will retain their moisture and fragrance while competitors' products will dry out. The clear tubes also prevents the concealment of contraband.

ORDER #: 8252CL – 4.0 OZ. BODY WASH

ORDER #: 8253CL – 4.0 OZ. SHAMPOO

ORDER #: 8254CL – 4.0 OZ. CONDITIONER
